Staying up-to-date with literature …

… by topic alerts
… by research networks (R\textsuperscript{G}, Mendeley…)
… by consulting journal homepages

… remains a challenge.
Browsing journals with BrowZine ... performs the following
defined actions:

✓ **browse** = discover new topics
✓ stay up-to-date with **your** favorite journals on a virtual, personal bookshelf
✓ get **full-texts** easily
✓ discover and read articles anywhere on any device (with VPN)
✓ read conveniently
