Library of Exact Sciences BeWi, www.unibe.ch/ub/bewi, bewi@ub.unibe.ch
## 1. Research tools

### Catalogue

Find books, journals and other media in the NEBIS catalogue.

*www.nebis.ch*

### Registration

Please register in the NEBIS catalogue to order documents or copies and to renew your loans. Contact the library to validate your registration.

*www.nebis.ch > services, user account > register now*

### E-Books

Search the e-book list of the University Library Bern (www.unibe.ch/ub > research > e-books) or the catalogue swissbib Basel Bern http://baselbern.swissbib. Available to all users within the university network or via VPN (virtual private network).

*www.unibe.ch/ub > research > e-books*

### E-Journals

Find e-journals in the e-journal list of the University Library Bern www.unibe.ch/ejournals. Available to all users within the university network or via VPN (virtual private network).

*www.unibe.ch/ub > research > journals directly: www.unibe.ch/ub/ejournals*

### Databases

Access free and licenced databases by either searching for a particular database or browsing the subject specific database list. Available to all users within the university network or via VPN (virtual private network).

*www.unibe.ch/ub > research > databases*

### Subject Information

The subject information page shows the important print and electronic sources in your field. You will also find information about the subject specific collections of the University Library Bern and about the responsible subject librarians.

*www.unibe.ch/ub > research > subject information*
2. Internet and Network

**Wireless Network (eduroam)**

www.eduroam.unibe.ch

For staff and students of the University of Bern and other Swiss or overseas universities.

- Install eduroam with the configuration assistant tool: cat.eduroam.org
- Connect to the WiFi access point «eduroam»
- Log in with your campus account username (e.g. <jdoe@unibe.ch>)
  
  Attention, do not use your email address (e.g. <john.doe@institute.unibe.ch>)

**Wireless Network (public-unibe)**

Guests of the University of Bern can use the wireless network «public-unibe». For the voucher code, please contact your library.

**VPN**

www.unibe.ch > university > campus and infrastructure
> IT services > internet and network

A VPN (virtual private network) connection provides encrypted, secure and authenticated access to the university network from remote locations (e.g. from your home).

Available to students and staff of the University of Bern.

**Printing, Scanning, Copying**

www.unibe.ch > university > campus and infrastructure
> IT services > internet and network

Uniprint is a service offered by the University of Bern for printing, copying and scanning. You can pay for services using your UNICARD or Print card. Print cards cost CHF 10.00 each. They are available at the library office.

Per-page prices
