

# Application with an international degree

Documents for review of academic qualifications and placement<sup>1</sup> into the mono master's degree program Chemistry and Molecular Sciences offered by the Faculty of Science

Carefully read the following introductory notes before compiling the required documents.

## 1: Application

- Online application [www.application.unibe.ch](http://www.application.unibe.ch)
- Required documents see checklist in this document
- Application deadlines [www.unibe.ch/applicationdeadlines\\_students](http://www.unibe.ch/applicationdeadlines_students)

## 2: Important information

### *Application*

- You may apply for admission to one major or mono study program.
- Hand in your application file as early as possible – ideally 4 months prior to the start of the degree program.

### *Supporting documents to your application*

- All documents must be sent by letter post in one file. We do not review any electronic documents.
- Missing documents will be requested; they delay the application process.
- Your eligibility for admission will only be reviewed after receipt of all the required documents, the application fee – and if need be – additional fee for a late application.

### *Application after the regular application deadline*

If you apply after the regular application deadline, the supporting documents to your application must arrive by 31 August and 31 January respectively.

---

<sup>1</sup> The committee in charge of the Faculty of Science evaluates your previous study record, looks for equivalences, assesses which courses at master or bachelor level you still need to do before being admitted into the desired master's degree program at the University of Bern and decides on what level you will be placed at and how many of your credits can be transferred.

Basis of the recognition of your degree and study achievements are the documents submitted at the time of the request.

### *Decision of admission*

The decision of admission is taken and communicated by the Admissions Office.

### 3: Language requirements

Lectures of our master's degree program in Chemistry and Molecular Sciences are held in English.

Alternatively one of the following English language test scores has to be submitted with the application.

The result must not be older than 2 years at the date of the application for admission.

Older test results cannot be considered.

Language test	Minimum score
TOEFL paper PBT	513
TOEFL Internet IBT	72
IELTS academic test	5
