

STAAR Surgical is a fast-growing international medical device company. Dedicated solely to ophthalmic surgery for over 40 years, we design, develop, manufacture and market innovative and high-quality ophthalmic implants with companion delivery systems.

As a leading company in the ophthalmic medical device field, we are continuously looking to expand our talent. Therefore, we are looking for students to strengthen our team and drive our business going forward. To support our departments, we are eagerly looking for young talents to join as Interns to support the following departments in Nidau BE or in Brügg BE.

Internship 60-100% (6-9 months) in the fields of:

- **Customer Service** or
- **Finance & Accounting** or
- **Supply Chain**

As an Intern, you will work across multiple tasks and priorities within the specific department.

What you can achieve

- You will have the chance to put what you are learning into action, in a real-world environment. This helps you better understand the theories and strategies you have been studying about, reinforcing the learning process and giving you greater focus.
- In our international company, you will meet colleagues and team members, take part in meetings and get to know new people in a professional environment.
- In the Finance & Accounting department for example, you will gain skills in client relations, organization accountability, and problem-solving among many others.

What you bring with you

- Currently working on completion of a Bachelor's or Master's degree in related fields or equivalent.
- Excellent written and verbal communication skills In English / German and/or French is a plus.
- Strong organizational, problem-solving and analytical skills with ability to manage priorities.
- You are a team player who is characterised by initiative, independence and a high level of commitment.
- You enjoy being challenged and you welcome the opportunity to be innovative.

If you want to contribute to the Evolution in visual freedom™ and become part of our passionate professional team, apply now! A great job experience and career development opportunities in an innovative medical device company are waiting for you!

Is there a department that you want to explore within our company? Then don't miss out to send us your application.

Our HR Team is looking forward to receiving your full application in English by e-mail: jobs.ag@staar.com.
