Matriculation number

.....

Required documents

Please compile the following documents into a single pdf file and send them by **e-mail** to the study coordinator (see address below):

- 1: Checklist; serves as cover sheet
- 2: Complete tabular CV of your educational background, including the anticipated date of your B Sc graduation
- 3: Complete list of university courses taken ("Studienblatt" from KSL)
- 4: Certificate of your university degrees, if applicable
- 5: Letter of motivation, including a short statement about the intended specialization for the master thesis

Your application dossier will be handed to the study directorate of the Graduate School of Climate Sciences for assessment.
