

## Bachelor degree courses of the University of Bern - Academic year 21/22

Bachelor degree courses last 6 semesters or 3 years = 180 ECTS\* credits. One semester = 30 ECTS credits.

The courses are offered as single-subjects or as major + minor combination. Grey = on offer.

At bachelor level the language of instruction is German (except in the language programs).

> [www.bachelor.unibe.ch/eng](http://www.bachelor.unibe.ch/eng) → Bachelor degree courses with information on degrees, ECTS credits, course structures, study programs, requirements for specialised knowledge, consecutive masters, language of instruction and start dates. Moreover, you will find on these pages links to institutes, study plans and the academic student advice.

\* European Credit Transfer System

| Study program  | Title / degree<br>(in relation to the single-subject / major) | Bachelor           |           |           |          |          |          |          | Faculty     |
|--|---|--------------------|-----------|-----------|----------|----------|----------|----------|-------------|
|  |   | Single-subject 180 | Major 150 | Major 120 | Minor 90 | Minor 60 | Minor 30 | Minor 15 |             |
| Ancient Near Eastern Cultures relating to Pre-Islamic Palestine / Israel |   |                    |           |           |          |          |          |          | Theol.      |
| Archaeology  | B A in Archaeology  |                    |           |           |          |          |          |          | Phil.-hist. |
| Art History  | B A in Art History  |                    |           |           |          |          |          |          | Phil.-hist. |
| Astronomy  |   |                    |           |           |          |          |          |          | Phil.-nat.  |
| Biochemistry and Molecular Biology                                       | B Sc in Biochemie und Molekularbiologie                       |                    |           |           |          |          |          |          | Phil.-nat.  |
| Biology  | B Sc in Biology**   |                    |           |           |          |          |          |          | Phil.-nat.  |
| Business Administration  | B Sc in Business Administration                               |                    |           |           |          |          |          |          | WISO        |
| Central Asian Studies  |   |                    |           |           |          |          |          |          | Phil.-hist. |
| Chemistry and Molecular Sciences   | B Sc in Chemistry and Molecular Sciences                      |                    |           |           |          |          |          |          | Phil.-nat.  |
| Classical foundation with special qualification in Greek                 |   |                    |           |           |          |          |          |          | Phil.-hist. |
| Classical foundation with special qualification in Latin                 |   |                    |           |           |          |          |          |          | Phil.-hist. |
| Classics with special qualification in Greek                             | B A in Classics with special qualification in Greek           |                    |           |           |          |          |          |          | Phil.-hist. |
| Classics with special qualification in Latin                             | B A in Classics with special qualification in Latin           |                    |           |           |          |          |          |          | Phil.-hist. |
| Computer Science   | B Sc in Computer Science                                      |                    |           | 90        |          |          |          |          | Phil.-nat.  |
| Constitutional Law and Theory of the State                               |   |                    |           |           |          |          |          |          | Rw          |
| Criminology  |   |                    |           |           |          |          |          |          | Rw          |
| Dental Medicine  | B of Dental Medicine  |                    |           |           |          |          |          |          | Med         |
| Deutsche Sprach- und Literaturwissenschaft                               | B A in German Language and Literature                         |                    |           |           |          |          |          |          | Phil.-hist. |
| Earth Sciences (Geology)   | B Sc in Earth Sciences  |                    |           |           |          |          |          |          | Phil.-nat.  |
| Eastern European Studies   | B A in East European Studies                                  |                    |           |           |          |          |          |          | Phil.-hist. |
| Economic Law   |   |                    |           |           |          |          |          |          | Rw          |
