Dear Sir/Madam,

We would like to present to you – as partner university of Tilburg University – our 2-weeks online Summer School on Justice to Victims of Human Trafficking and Conflict-Related Sexual Violence (6 ECTS). Students of your university will receive, as usual, a 10% discount.

Would you be so kind to distribute this information among your students?

You can find an image attached as well as an accompanying text below.

In case you need further information, do let me know.

-------

“Thousands of men, women and children are forced into sexual slavery or raped during conflict situations, and/or, when fleeing conflict, are forced by human traffickers into exploitative practices en route and in the country of destination. What is done to address these crimes and are these approaches contributing to realizing justice?”

We are proud to present to you Impact’s 6th annual Summer School on Justice for victims of human trafficking and conflict-related sexual violence (6 ECTS). From 11-22 July, online, i.c.w. Tilburg University Outreaching Honors Program. For bachelor and master students from all disciplines. Students from partner universities of Tilburg University get a 10% discount on the fee.

Apply before the deadline: 17 June 2022.
