

Dear Sir/Madam,

As a partner university to Tilburg University, we would like to share with you information about our upcoming Winter School. We would appreciate if you could circulate the information amongst your students, as you did in the past (with students of your university attending earlier editions of our Summer School). They can get a 10% discount being a student from a partner university. Info in short that you could post:

Winter School on Justice to Victims of Conflict-Related Sexual Violence and Human Trafficking

From 16-27 January 2023, we will run – in cooperation with the Outreaching Honors Program of Tilburg University – the Impact Online Winter School on Justice to Victims of Conflict-Related Sexual Violence and Human Trafficking 🌍. Thousands of women, men and children are forced into sexual slavery or raped during conflict-situations, and/or, when fleeing conflict, are forced by human traffickers into exploitative practices *en route* and in the country of destination. What is done to prevent and address these crimes?

The Winter Course (6 ECTS) offers interdisciplinary insights into the phenomena of human trafficking and conflict-related sexual violence.

More information about the program and to register, go to:

We have an early bird discount until 21 November 2022.
