

Dear colleagues,

We are pleased to announce that registrations for the [TU Berlin Winter University 2023](#) are open!

In January we will be offering **online** and **on-campus courses** of either 2, 3 or 4 weeks in duration from January 2 to 27, 2023. Participants can choose from a range of courses across the fields of science, technology, engineering and business including entrepreneurship, python for data analysis and satellite design. All courses are ECTS accredited.

[View our full program here!](#)

Students will experience highlights of Berlin and get to know their international peers with our cultural program.

As a valued partner of the TU Berlin Summer & Winter University, your students will receive the early bird discount of 50€ regardless of the day they register.

Please contact us should you have any questions at all about the program.

Best wishes from Berlin,
Beth Sibly
