

Hello from the University of Liverpool!

## **International Summer School**

We're pleased to announce that dates and fees for our [International Summer School 2023](#) are now available, with applications opening later in November.

The programme is designed to give an authentic Liverpool experience, with small-group teaching, supported social programme and guaranteed on-campus accommodation. It also includes a strong focus on local and UK culture, aided by organised trips in the city and around the UK, and the modules themselves which pull in both local focus and global considerations, fully embracing the city as a learning tool.

The ISS runs from June-July and students can attend in 3-week blocks or for the full 6-week programme. Each 3-week block is worth 15 credits/7.5 ECTS.

- Weeks 1-3: 12th June to 30th June
- Weeks 4-6: 3rd July to 21st July
- Weeks 1-6: 12th June to 21st July

Tuition fees for the ISS are as follows and all partners we hold an agreement with are eligible for an additional 10% discount on fees:

- 3-week placement: £1,870
- 6-week placement: £3,530

Any queries can be directed to [international.summerschool@liverpool.ac.uk](mailto:international.summerschool@liverpool.ac.uk) and the ISS team will be happy to set up a call to give you a full overview of Summer in Liverpool.

## **Summer Research Programme**

We would also like to confirm the dates for our [Summer Research Programme](#) for 2023. Students will be supervised by a University of Liverpool academic to work on the academic's active research. The programme runs from June-August, with projects lasting 4, 8 or 12 weeks dependent on the project.

Session 1:

- 4 Weeks: 5th June - 30th June
- 8 Weeks: 5th June - 28th July
- 12 Weeks: 5th June - 25th August

Session 2:

- 4 Weeks: 3rd July - 28th July
- 8 Weeks: 3rd July - 25th August

Session 3:

- 4 Weeks: 31st July - 25th August

The full list of projects will be available from January, at which point we will be in touch with information about nominations and applications. Each project will count for 0.5 a semester in our exchange balances, regardless of project length and each project is worth 15 credits.

If this email has come to you in error or if there is a better contact to send summer information to, please let me know and I'll be happy to update our contacts list.

If you have any questions please let me know and I'll be happy to help.

Thanks,

Dave
