Dr. Mila Rain, Prof. Dr. Felix Muster

Name of the course: (Name of the survey)

Einführung in Data Science

Profile

Subunit: Test_Fakultät

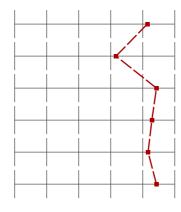

Dr. Mila Rain, Prof. Dr. Felix Muster Name of the instructor:

Name of the course: (Name of the survey) Einführung in Data Science

Values used in the profile line: Mean

1. LECTURER

- made clear what we should know and be able to do at the end of the course.
- presents the subject matter (e.g., using examples, visualizations, exercises, rounds of questions, etc.) in a way that helps me learn.
- teaches the subject matter in a way that arouses my interest.
- takes account of how much students already know (e.g., using an ILIAS self-evaluation, exercises with solutions or repetitions).
- responds to questions and suggestions from students.
- 1.5) is friendly and respectful toward students.
