English language support for students of all disciplines and study levels

If you use English as a medium of instruction, **Academic English Services** would like to help your work by offering your students the following **free** courses:

- **writing** at Doctoral Level in English in the Social Sciences and Humanities
- **Scientific Communication** in English for Graduate School Students (PhD Focus)
- **TOEFL** Exam Preparation course
- speaking courses with a focus on **presentations** and **seminar discussion skills**
- **comprehensive academic English** courses at B1, B2, C1 and C2 levels

If you think your students could benefit from the content of these courses, please encourage them to visit our website www.aes.unibe.ch. We hope that you will find this collaboration fruitful.

Best regards
Academic English Services
