

Zurich, May 2022

## Call for proposals 2024

Dear colleagues

The Congressi Stefano Franscini is ETH Zurich's conference platform located at Monte Verità, a beautiful hilltop overlooking Ascona and Lago Maggiore, in Southern Switzerland.

Since 1989, the CSF gives professors and senior researchers working at a Swiss research institution the opportunity to organize a subsidized international conference, an ETH doctoral school or a workshop at the Monte Verità congress centre.

The first deadline for submission is **October 1, 2022**; a second call for the remaining dates in 2024 will be opened with the deadline January 15, 2023, later this year. For further details, please refer to our website ([www.csf.ethz.ch](http://www.csf.ethz.ch)), where you also find our terms and conditions, the pricelist, and the link to the online platform, where you can enter your application.

Yours sincerely,

Prof. Dr. Paolo Ermanni  
Director Congressi Stefano Franscini

Enclosure: Call for proposals 2024
