Registration SLSP with SWITCH edu-ID

If you already have a SWITCH edu-ID you can register in SLSP with that account. Follow the instructions.

1. Follow this link to start the registration: https://registration.slsp.ch/?iz=ube. You may want to change the language setting.

From Dec. 7 you can alternatively go to swiscovery University and PH Bern. You may want to change the language settings by opening the drop-down menu in the upper right hand corner. Click «sign in», and chose «SWITCH edu-ID».
2. Enter email address and password of your SWITCH edu-ID account to login or request a new password if necessary.

3. The details of your SWITCH edu-ID account will be shown, this can vary. Consent to the transfer of data to SLSP by clicking on “accept”.
4. An error message will appear if there are missing details in the SWITCH edu-ID account: Date of birth, address, telephone number. The data must be entered individually in the fields provided and each time the information transfer to SLSP must be accepted.

5. Complete your profile by adding your library card or UNICARD number. Valid cards are those that have been previously used at the University Library of Bern and PHBern. If you don’t have a valid library card yet, leave the field empty and go to your library after you finished your registration.

Agree to the SLSP terms of use and click on "Register". The registration is now complete.

Glossary:

SLSP: Swiss Library Service Platform
SWITCH edu-ID: An identity for access to all services in the Swiss university environment, regardless of the institution. It is valid for life
SWITCH: The SWITCH is a trusted nonprofit organization, which was founded by the federal government and the university cantons.
