BERN

The Anaesthesia and Pain Therapy Section of the Department of Clinical Veterinary Science, Vetsuisse Faculty, University of Bern, Switzerland, invites applications for an Anaesthesia Internship starting January 2019.

Internship in Veterinary Anaesthesia and Analgesia, 100%

The successful candidate will work under the supervision of anaesthesia and analgesia specialists (5 ECVAAs diplomates, 1 ACVAA diplomate) to provide anaesthesia and analgesia in the 3 hospitals of the department and participate to out of hours emergency duties.

The applicant should ideally have 1-2 years of clinical experience in general practice (preferably small animal) or have taken part in a rotating internship, although new graduates will also be considered.

The candidate must have enthusiasm for anaesthesia, be a team player, have good communication skills, fluent English language and willingness to learn German.

The Department offers first-class full service in small and large animal surgery and medicine and provides primary and referral patient care for most domestic species. The veterinary teaching hospitals (small animal, equine and farm animal) are equipped with state-of-the-art facilities and are top-level veterinary education centers.

For further information please contact Prof. Claudia Spadavecchia (DVM, DipECVAA, PhD; claudia.spadavecchia@vetsuisse.unibe.ch) or visit: http://www.anaesthesie.dkv.unibe.ch/index_eng.html

A letter of intent, a curriculum vitae, and the name of 3 references should be submitted to:
claudia.spadavecchia@vetsuisse.unibe.ch

Closing date: open until position filled

Universität Bern, Anästhesiologie, Länggassstrasse 124, 3012 Bern, www.unibe.ch
