

CHEOPS Launch Event

With Live Stream from Kourou and Space Talks

Tuesday, December 17*, 9:15 – 13:00

The event will be held in German and English.

University of Bern

Building «Exakte Wissenschaften»,
Sidlerstrasse 5, 3012 Bern, Room 099

The Swiss space telescope CHEOPS will begin its journey into space on Tuesday, December 17 on board a Soyuz rocket from the European Space Agency (ESA) in Kourou, French Guiana.

CHEOPS is a joint mission of ESA and Switzerland, led by the University of Bern, in collaboration with the University of Geneva and Airbus as the prime contractor for the satellite.

Please note that the number of participants is limited. Registration and program: www.unibe.ch/cheopslaunch

** The date will be officially confirmed shortly before the event. Please check the website.*
